

# Coronado High School ICAP

Individual Career and Academic Plan (ICAP) is a multi-year process that intentionally guides students and families in the exploration of career, academic and postsecondary opportunities. With the support of adults, students develop the awareness, knowledge, attitudes, and skills to create their own meaningful and powerful pathways to be career and college ready.

ICAP gives students ownership of a process that helps them explore their unique talents and aspirations, participate in career and postsecondary options, and create pathways to financial success after high school.

The Recommended and Required Activities make for the most meaningful experience. The Required Activities are the basic, necessary components of an ICAP. Completion of an ICAP is a Colorado Springs School District 11 graduation requirement ... Need help with ICAP? Talk with your school counselor.

## Recommended Activities

- Complete other assessments in Naviance to learn more about yourself and what careers best fit your personality and strengths: Learning Styles Inventory, Multiple Intelligence (MI) Advantage, Do What You Are, and Strengths Explorer.
